South Park School District

January 24, 2019

Dear South Park Families:

The safety of our students, faculty, and staff is the top priority of the South Park School District. With that in mind, we want to inform you of a situation that was reported to district administrators by a First Student bus driver late this afternoon. On the way home from school today, a first grade student made a threat and commented about having a weapon.

This threat was reported to Director of School Police Todd Naylor and to the South Park Township Police Department. Officer Naylor and a South Park Township officer talked with the student's family. Officer Naylor and the South Park Township Police Department have determined there is no credible threat. We will not share information about the student or potential disciplinary action due to confidentiality laws.

School will be in session on Friday, January 25.

The South Park School District would like to thank the South Park Township Police Department for its assistance.

Sincerely,

Wayne P. Gdovic
Superintendent of Schools
