Location Change for January School Board Meeting

The January 12, 2017 South Park School District Board of Directors' Regular Meeting will be held in the LGI room at South Park Middle School. The meeting begins at 6:30 p.m.

Students were able to watch Vucko work, and it didn't take long for Vucko to find a package treated with a simulated drug scent. The eighth graders enjoyed seeing Vucko be rewarded for his successful search with a small toy and a lot of praise.

Students were also able to get an up-close look at State Police equipment and ask questions.
